

Stavroula Papadaki

She was born in Athens in 1979. She is a graduate of the Athens's School of Fine Arts, where she studied painting in the laboratory of Rena Pappaspyrou (from the year 1997-8 up to 2001-2). In the same faculty, she studied engraving and mosaic. In the University of Fine Arts of Valencia, in Spain, in 2002, studied copper engraving and animation.

She is a graduate of the Postgraduate Department of Athens's School of Fine Arts: Digital Arts.

She is now doing her PhD in Panteion University Athens.
